#### IDENTIFY

communication is what floats our ship – rather than simply sharing our expertise, we keep you in on the loop from a-z when it comes to bringing your dreams and goals to life.

#### CRAFT

looks are worthless if they are not seamlessly integrated with feel and functionality. we understand this wholeheartedly and only unleash designs that are user-friendly and do justice to your brand philosophy.

#### IMPLEMENT & INTEGRATE

our team of design and development experts gets to work as we ensure your website is seamlessly displayed across all mobile and desktop devices.

#### IT'S ALIVE!

we only bid farewell once your project is successfully launched and you are 100% satisfied with the outcome. sit back and enjoy as we execute your vision for the world to see.

NeuStar, Inc., the Registry Administrator for .US, has collected this information for the WHOIS database through a .US-Accredited Registrar. This information is provided to you for informational purposes only and is designed to assist persons in determining contents of a domain name registration record in the NeuStar registry database. NeuStar makes this information available to you "as is" and does not guarantee its accuracy. By submitting a WHOIS query, you agree that you will use this data only for lawful purposes and that, under no circumstances will you use this data: (1) to allow, enable, or otherwise support the transmission of mass unsolicited, commercial advertising or solicitations via direct mail, electronic mail, or by telephone; (2) in contravention of any applicable data and privacy protection laws; or (3) to enable high volume, automated, electronic processes that apply to the registry (or its systems). Compilation, repackaging, dissemination, or other use of the WHOIS database in its entirety, or of a substantial portion thereof, is not allowed without NeuStar's prior written permission. NeuStar reserves the right to modify or change these conditions at any time without prior or subsequent notification of any kind. By executing this query, in any manner whatsoever, you agree to abide by these terms. NOTE: FAILURE TO LOCATE A RECORD IN THE WHOIS DATABASE IS NOT INDICATIVE OF THE AVAILABILITY OF A DOMAIN NAME. All domain names are subject to certain additional domain name registration rules. For details, please visit our site at [www.whois.us](http://www.whois.us).

The data contained in GoDaddy.com, LLC's WhoIs database, while believed by the company to be reliable, is provided "as is" with no guarantee or warranties regarding its accuracy. This information is provided for the sole purpose of assisting you in obtaining information about domain name registration records. Any use of this data for any other purpose is expressly forbidden without the prior written permission of GoDaddy.com, LLC. By submitting an inquiry, you agree to these terms of usage and limitations of warranty. In particular, you agree not to use this data to allow, enable, or otherwise make possible, dissemination or collection of this data, in part or in its entirety, for any purpose, such as the transmission of unsolicited advertising and solicitations of any kind, including spam. You further agree not to use this data to enable high volume, automated or robotic electronic processes designed to collect or compile this data for any purpose, including mining this data for your own personal or commercial purposes.

Please note: the registrant of the domain name is specified in the "registrant" section. In most cases, GoDaddy.com, LLC is not the registrant of domain names listed in this database.

## NOTICE, DISCLAIMERS AND TERMS OF USE:

All results shown are captured from registries and/or registrars and are framed in real-time. ICANN does not generate, collect, retain or store the results shown other than for the transitory duration necessary to show these results in response to real-time queries.\* These results are shown for the sole purpose of assisting you in obtaining information about domain name registration records and for no other purpose. You agree to use this data only for lawful purposes and further agree not to use this data (i) to allow, enable, or otherwise support the transmission by email, telephone, or facsimile of mass unsolicited, commercial advertising, or (ii) to enable high volume, automated, electronic processes to collect or compile this data for any purpose, including without limitation mining this data for your own personal or commercial purposes. ICANN reserves the right to restrict or terminate your access to the data if you fail to abide by these terms of use. ICANN reserves the right to modify these terms at any time. By submitting a query, you agree to abide by these terms.

\* There is one exception: ICANN acts as the registry operator for the .int TLD, and in that capacity it does collect, generate, retain and store information regarding registrations in the .int TLD.

## Who We Are

*We are not in the industry because we happen to be here.*

We've searched and put together a team of passionate dreamers, creators, designers and animators and together we work towards the same ambition - helping your brand unleash its true potential and making it loveable again. The bottom line: conviction is where we stand, committed we are to make it work for you. Give us a shot and we won't let you down. Ever!

Our service is the sole judge of our performance and the quality of animated videos we have delivered to our clients around the world speaks for itself. More than 60% our business comes from returning customers. We are truly committed to deliver animation solutions that make your business and services stand out from the crowd in the highly competitive environment.

With shortening attention spans and surging popularity for visual content online, it has become pivotal to add exciting animated ads, product demos etc. to your brand outshine the competition. There is no reason why you should wait any longer to get beautifully animated videos for your business.

When you place your ORDER (<https://animationsharks.com/pricing-guide/>) with Animation Sharks there is no reason why we won't deliver your quality animated videos. We promise you the best value for the money you invest in visual content.
